Antimalaria Scheme, Puttur South Kanara to the Director of Public Health, Madras, Through the District Health Officer, South Kanara.

Sub : ESTABLISHMENT--Malaria Control Scheme, Puttur--Typist--Appointment of--Sanction requested. (9)/38 39 cf

In G.O.No.386-PH dated 10th February, 1948, sanction is accorded for the appointment of a lower division clerk for the scheme. As the correspondence in this Office will be heavy, several reports regarding the working of the scheme, circulars regarding the working and other technical instructions will have to be sent to all the four Health Inspectors and 15 Field Assistants and in all such cases, several copies will have to be taken up, it will be convenient if a typist is appointed for this Office, as he can take up carbon copies at the same time. Otherwise much time and labour will be lost in making several copies. While sending reports to higher authorities, copies will have to be taken [illegible] of such long reports. In addition, there may not be neatness in correspondence also.

Hence to facilitate matters and to enable neatness in correspondence, I request that a typist may be sanctioned for this Office in place of a lower division clerk.

I request early orders in the matter.

for Director of Public Health, Madras.
